

The Apollo – Booker link allows a direct electronic link between any Apollo based point of sale and Booker Cash & Carry, allowing orders to be sent, invoices to be received and entire product lists to be downloaded direct from Booker. Anyone who has a Booker account can access all these features, including Premier Stores.

EPOS to Booker Link
From
Apollo EPoS

EPOS Made Easy!

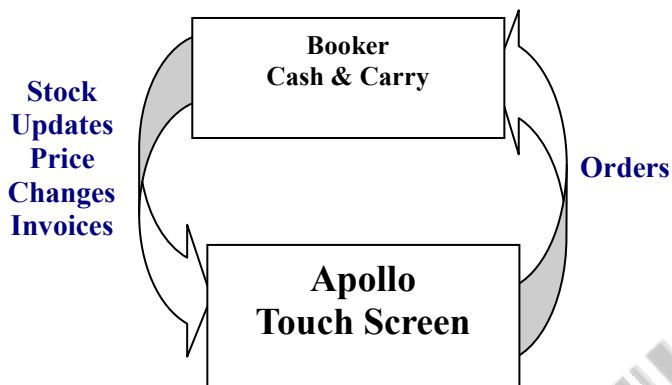

Easy Ordering

Ready to use stock file

Electronic Invoices

Instant Price Changes

Apollo allows you to automatically receive your monthly Premier promotions direct into your point of sale. You can also download the graphics associated with the offers to display on your TFT customer displays.

Add your own adverts to display on the screens to create your own revenue (100%).
